Atos Retirement Plan

The Atos Retirement Plan is provided by AEGON.

The Atos Retirement Plan is currently the only scheme open to new members. Eligible employees will be auto-enrolled shortly after joining. Employees who wish to opt out must wait for an e-mail from the provider to record their request.

Further information is available on the internal HR Portal under the "Pension" topic, including a comprehensive FAQ.

Life Assurance of 4x Annual Salary is provided under separate cover by a Company Insurance Policy. Please ensure you complete both a Life Cover and a Pension "Nomination Form" available from the MyHR Portal & keep the details up to date.
